Sir:

On July 14, 2004, an Information Disclosure Statement (IDS) was filed in the above-referenced application listing three (3) references. A Petition to Expunge this Information Disclosure Statement was then filed on April 26, 2005, and the PAIR system indicates this Petition was received by the USPTO on April 28, 2005. However, no decision on this Petition to Expunge has apparently ever been reached. Accordingly, this communication is to be placed into the file wrapper indicating that the three references submitted in the IDS of July 14, 2004 should not be considered relevant to the instant application.

Respectfully submitted,

  
Kent J. Tobin
